

Save the Date and join us for our
iDevice Sharing and Learning Event!

Wed, June 13, 2018

2:00- 3:30 p.m.

Spectrios Institute for Low Vision
219 E. Cole Avenue, Wheaton, 60187

This event will focus on all the new features and improvements for the speech and Siri features for iDevices, including the improved VoiceOver app with braille support, dictation, audio description and gestures.

Come see what's new!

RSVP to Chris Retzke @630-690-7115 ext 119
