

# Join us for our Low Vision

## TECH Petting ZQQ

Sponsored by:

**enhanced**  
**vision**

Technology is growing by leaps and bounds to meet the needs of individuals with vision impairments. Stop in to our **FREE** Tech Petting Zoo and spend some time learning about:

- Wearable artificial vision devices
- Portable magnification screens
- Portable electronic monoculars
- Apps that provide artificial vision, magnification...  
*and much more!*

Monday, April 30, 6:30 - 8:30 p.m.

Wheaton Public Library, 225 N. Cross Street, Wheaton, 60187

**Hands on Learning • Ask the Experts • Refreshments Provided**
