Apple 1- The Basics
March 14, 2018
11:00 a.m. - 12:00 p.m.
Beacon Hill Senior Living
2400 S. Finley Rd., Lombard

Free!

You will be amazed to learn how smart your smart device really is! Join us for this fun and informative, hands on learning experience about Apple accessibility features. Let us show you how your iPhone or iPad can help you manage your life at home, at work or on the go.

During this jam packed, one hour session we will focus on how to activate/deactivate the low vision accessibility features already available on your device such as:

- Siri
- Voice Over
- Speak Screen
- Dictation
- Pronunciation Editor
- Zoom
- Magnifier
- Display Accommodations
- Font Adjustments

Participants will receive a printed handout on apps covered in class.

Additional, one on one training sessions are available!

Ask us for more details!

This workshop is limited to 15 people to allow for personalized attention.

Call today and reserve your spot!
